What is the Local Offer?

The Local Offer website (www.westminster.gov.uk/local-offer) provides information on services and support in Westminster for children and young people (aged 0 – 25) with special educational needs and disabilities (SEND), their families and carers. It is also a useful resource for professionals and service providers.

Why is it important?

The Local Offer gives children and young people with SEND and their families information that enables them to access services and support which best match their individual needs and personal situation.

Are you a service provider?

Register online to submit information about the services you provide to children and young people with SEND and their families in Westminster. All website contributions are reviewed before publication.

What information is available?

There is a range of information on the Local Offer website, including:

- details of early years settings, schools and further education colleges
- local health services and provision for social care
- guidance and services to assist in preparing children and young people for adulthood, including pathways to employment
- independent/supported living and what young people can access in their local community
- information on travel assistance and help getting around
- processes, templates and forms to support families in securing support for their child/young person in education

There are also advice and guidance pages, service listings and an interactive calendar of activities and events.

Feedback from our residents is very important for the ongoing improvement of our website.
